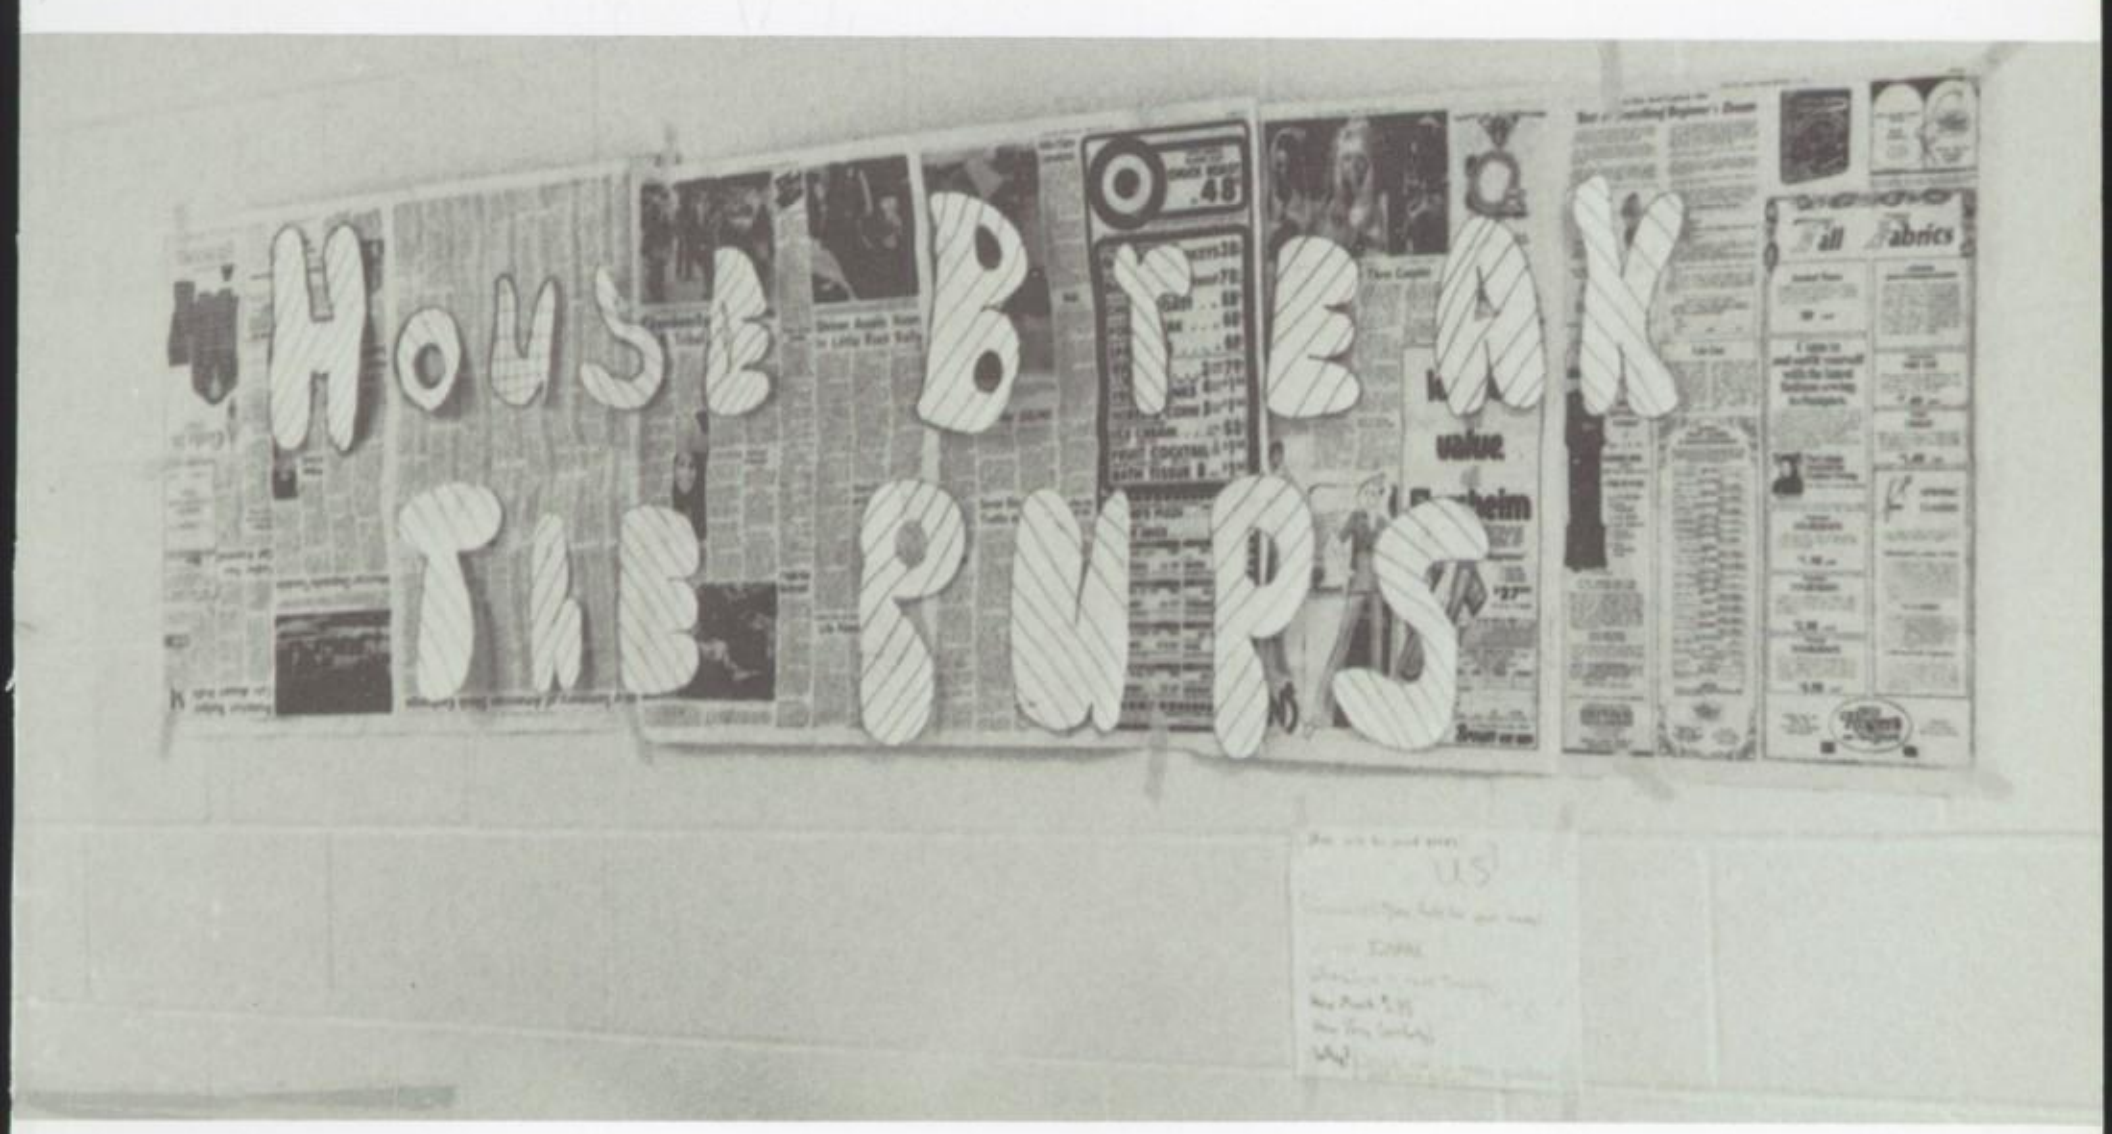
Out of the masses steps an
individual complex, entire,
and unique.

School days 1972-73
filled with the roar
of the crowd and the
sounds of classrooms
and the thrill of
friendship.



HOUSE BREAK
THE RIPS

Faces ... pleasant,
surprised, posed,
and priceless. The
faces of our friends
caught in a moment ... captured for our memory.

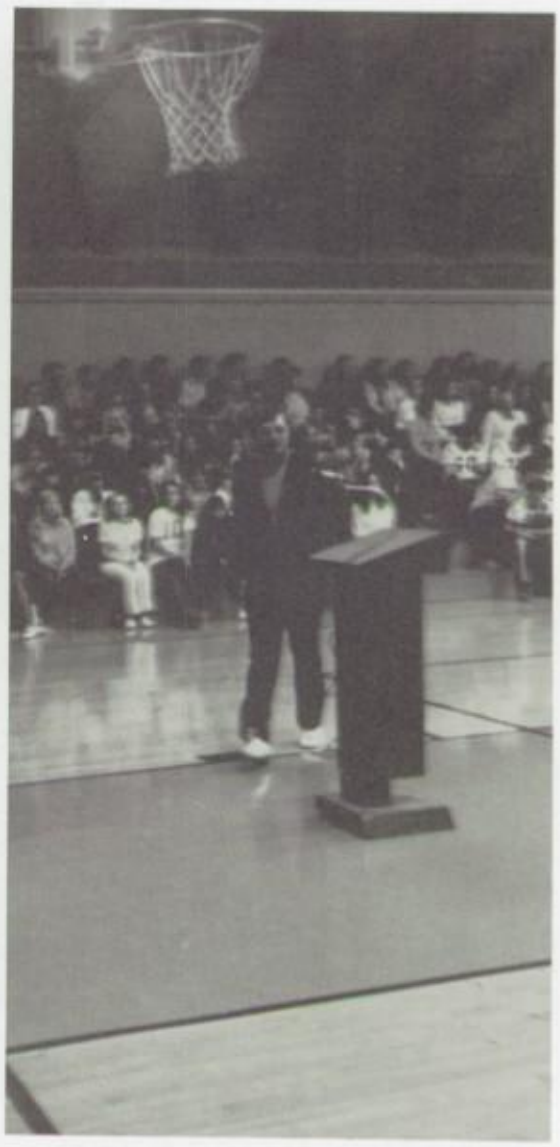
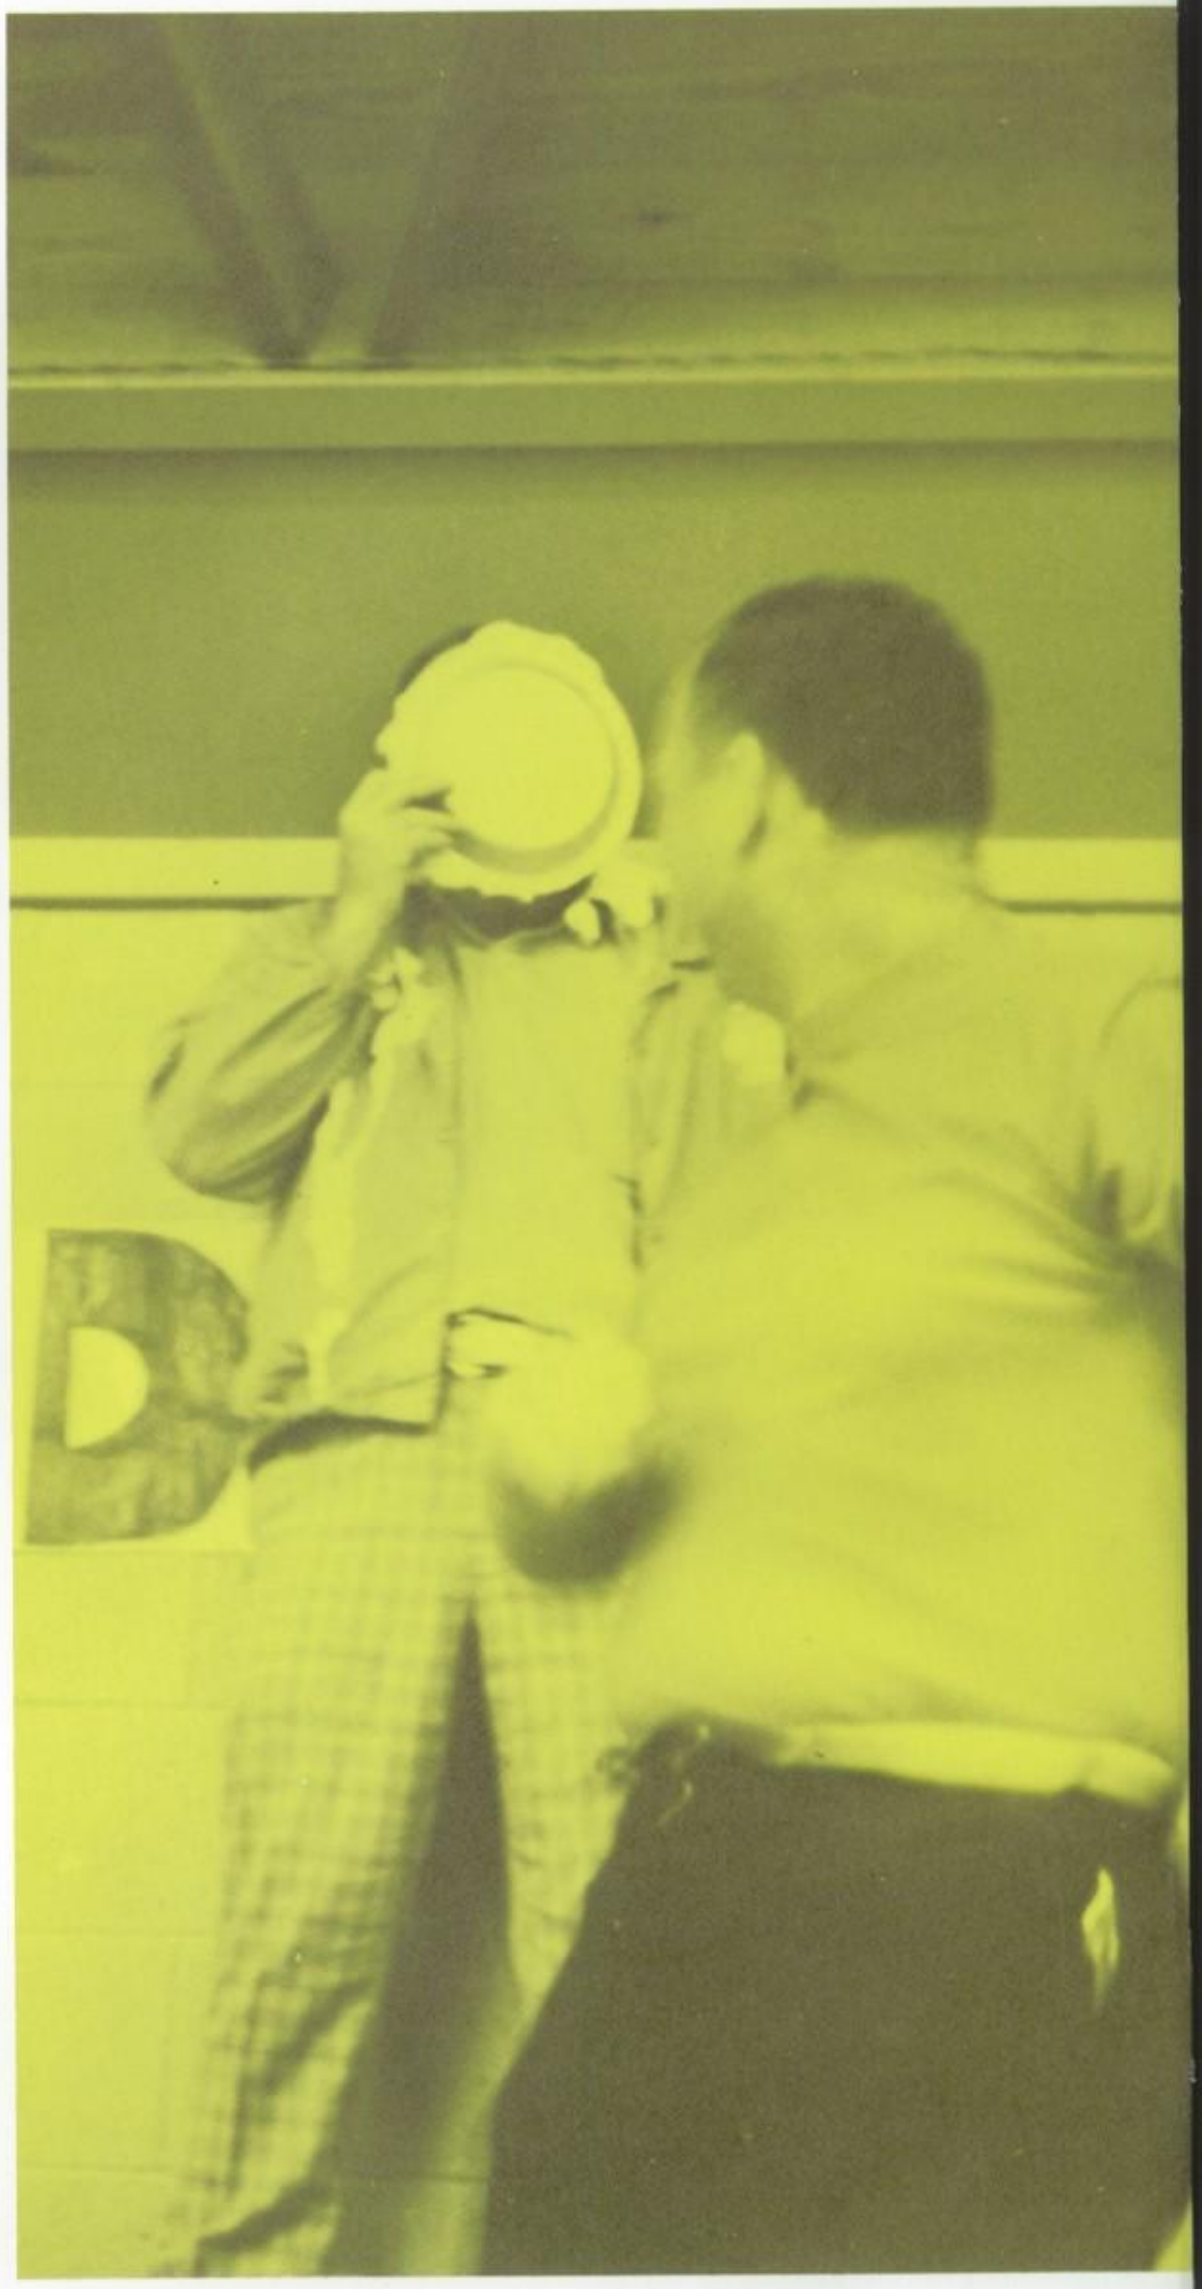
ARCO
RICKY DAUGHTRY
WAS HERE

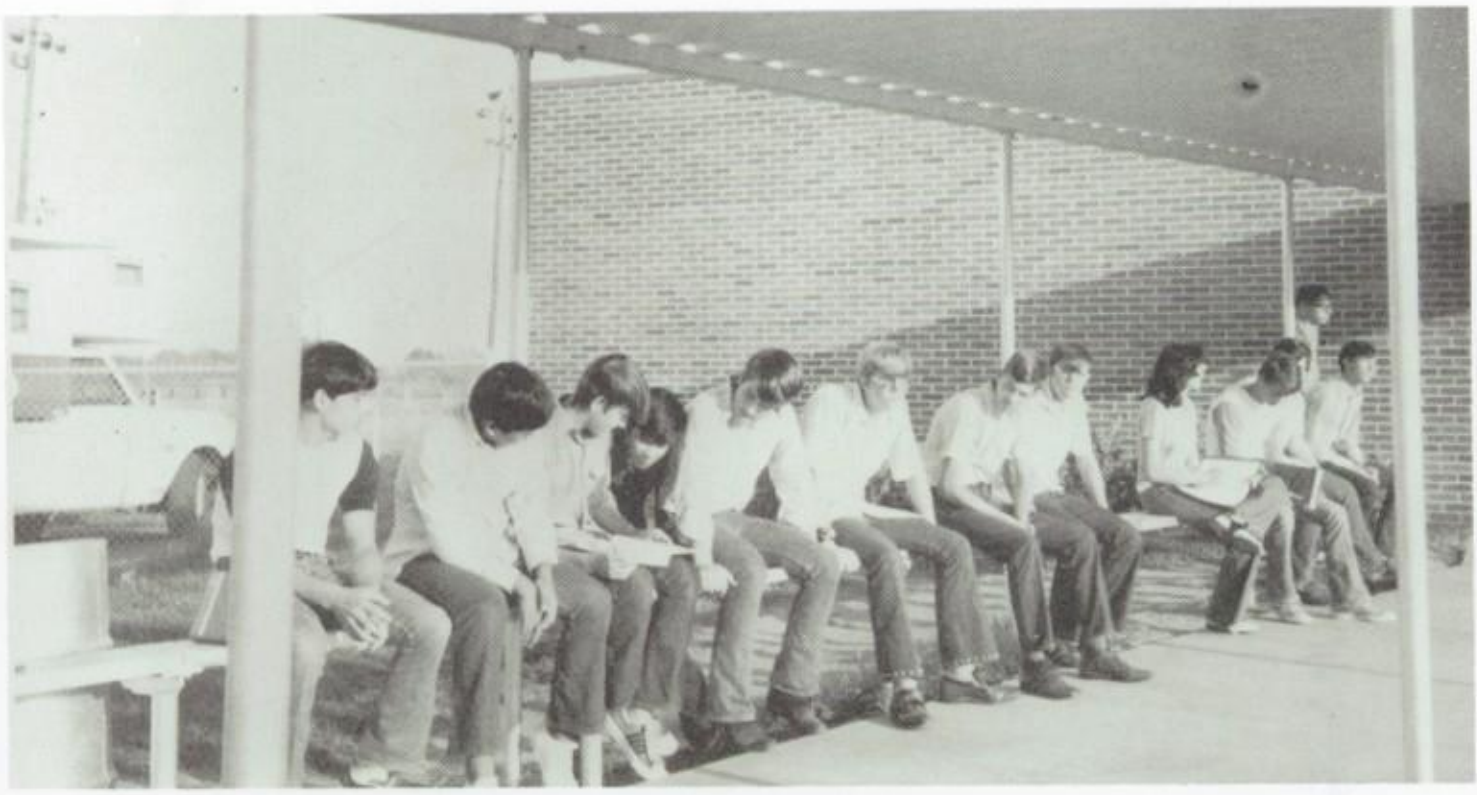


We are the spirit
We are the lifeblood of today's SHS
We build a kindred with
a school that is ours



Our role is simple ...
we learn ... we give ...
and we learn new extensions
of ourselves

Sunglasses and smiles ... signs and sounds ... faces reflect them all. The faces tell the story. The faces record its chapters.



ATHLETICS

The Pirates enter the field with courage and enthusiasm.

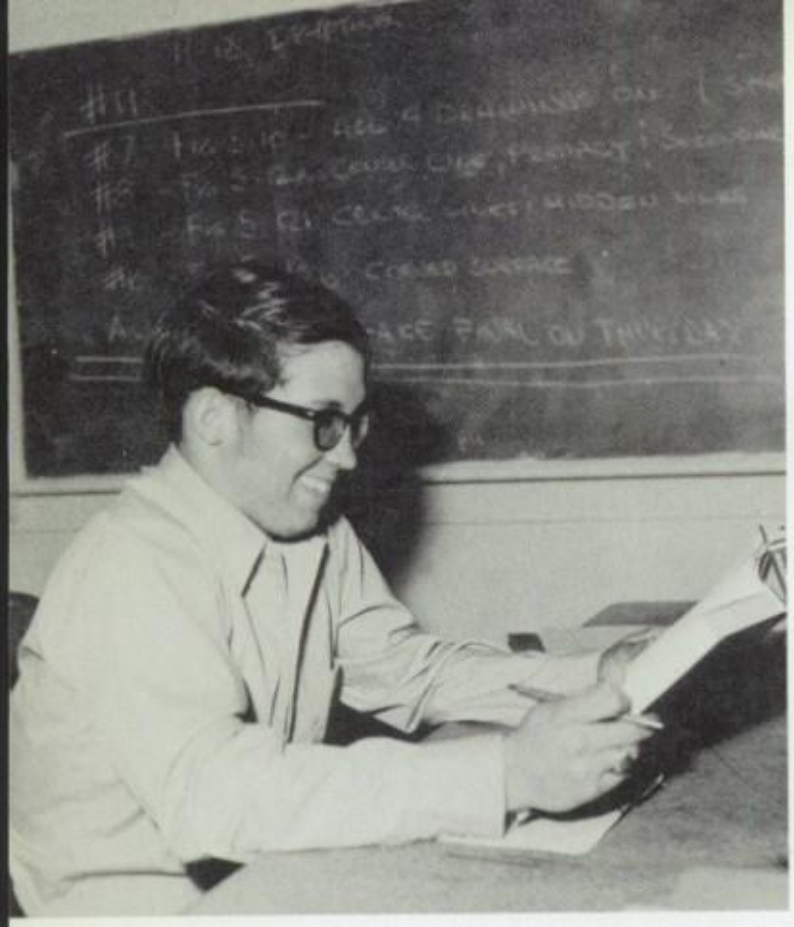
SENIORS

Seniors . . . '73



Senior Alan Mizell studies for a drafting test.

To build a better world should be our goal. This is not the only way we build, for with our friendships, we build ties of understanding. We unite the generations to work together for a better life for everyone. In a thousand different ways, each one of us forms the kind of life he will live.

We hear laughter in the halls, cheers at games and pep assemblies and later on we'll bring to mind the moments of our school life. It is here that we prepare for the future.

This senior year will be a time to remember: A year that we will look back upon and smile at when the future seems short and the past is long, dim, and far away. Remember the ecstasy of football games, the rush of warmth when you walk through the doors and the cheers echoing in gym. Most of all we will remember the smiles and tears when we graduate.

Principal Mr. Joe Ransom in one of his many daily tasks.

Elementary School years, the first steps in a child's educational growth. These years are very important to the child's future development. The Elementary School child needs a teacher that can guide him through these changing years.

The students are eager and willing to work hard at their curriculum, math, English, Reading, Science, Social Studies and art, music and P.E.

Their teachers must strive to maintain this special kind of eagerness to learn. The teachers here in Sperry are those kind of teachers - willing to put forth their very best, and more, for each and every child's individual need.

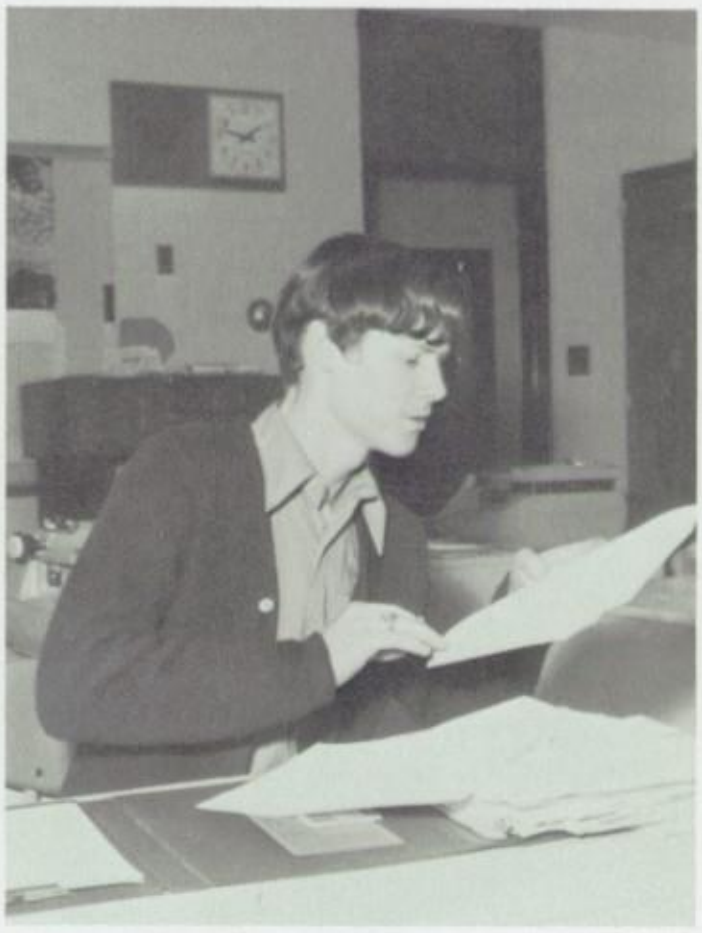
Dedication, Loyalty, Extra Hours

The Pirate Gazette, the school newspaper, is published bi-weekly by a staff of ten journalism students.

The Pirate Gazette is not a school newspaper that just happens, it takes two full weeks of preparation with last minute news stories, announcements, and the usual delays of pasting up errors, writing headlines and keeping the offset running.

We are grateful to those who have worked so hard during the year keeping the entire school and community abreast of the news.

We are also grateful to those members of the faculty and residents of our community who have contributed so much to our newspaper.



Sam Horrocks reads his editorial to editor Lynn Tracy, hoping it is acceptable.

Teresa Bergman and Barbara Forrester work furiously to staple the Pirate Gazette so it can be distributed before school is through.

W. R. Reed ponders how to word his special news story.

Band Progresses to a Bigger and Better Year.

Through many hours of hard work and practice, the band attained its best year yet. They were always available to entertain at pep assemblies. They provided lively and colorful performance during football season.

Marching through the snow at the Tulsa State Fair Parade the Band received a trophy for 2nd place. This is the first trophy won in 38 years (other than Alumni).

The division ratings at Tri State were a 2 in marching and a 3 in concert in which they were judged by out of state judges. The band also made an Excellent in Bartlesville.

The band is now planning a trip to Six Flags in April. They are raising money by selling candy.

Eight Students Earn Awards, Top Honors

To be named valedictorian or salutatorian is the greatest honor bestowed upon a junior or senior high school student.

To achieve valedictorian, a student must have maintained a 4.0 average throughout his four years of high school or three years of junior high. The salutatorian is the student or students with the next highest grade average.

In our high school this year, Mr. Brooks named one valedictorian and one salutatorian. In the junior high, Mr. Wood named one valedictorian and two salutatorians.

Not forgotten and very important, are the top elementary students. This year Mr. Ransom named three sixth graders to this honor. To achieve this honor, the students must have earned straight A's during their sixth grade year.

The Senior High Valedictorian was Sam Horrocks and Lynn Tracy, Salutatorian for 1973.

ABOVE: JUNIOR HIGH VALEDICTORIAN AND SALUTATORIANS. LEFT TO RIGHT: John Javine, salutatorian, Leslie Pettis, valedictorian, and James Liley, salutatorian.

TOP ELEMENTARY STUDENTS. FROM LEFT TO RIGHT: Susan Hawkins, Charlene Guilfoyle, and Johnny Doerr.

The Junior High Office Workers for Mr. Woods are: Sue Seago and Lynn Tracy.

Office Workers

Each year as the Seniors fill out the schedules, they always look for an easy class or two. Although they get into these classes and then find that they are not as easy as expected, they still try. If they already have the needed credits, one class they like to get into is the Office. Mr. Brooks, principal and Mr. Woods, principal usually always need some kind of help in their daily routines.

Seniors Receive Experience from Office Work

The Senior High Office Workers are from left to right standing: Cindy Arnold, Gayla Phillips, and Vicki Thompson. Seated: Teresa Statham. Not Pictured is Marshall Hampton.

The Library Workers are standing from left to right: Deedra Alderson, Elaine Reamy, Vivian Fipps, Judy Hoffman, Gayla Phillips. Seated: Jessie Horrocks, Carolyn Thulin, Mrs. Eula Sloan, Franki Moyer, and Sharon Jones.

Library Stimulates New Desires for Learning

If a task is once begun
Never leave it till it's done.
Be the labor great or small,
Do it well or not at all.

This seems to be what the Library workers go by. The Library seems to be a quiet place where everyone's busy. Our school Library is something we should all be proud of, because it is from books that we learn. Mrs. Sloan is always of assistance to guide you to the book you are looking for. She is able to do this through the help of her library workers. The library staff are truly hard working people that don't quit until the job is done!

Rhonda Morgan another worker, files the cards.

Two Juniors, Barbara Forrester and Floyd Emery were honored a trip to Washington D. C. by the 4-H Club.

These people received honors outside of school. We want them to know that we are very proud of them. Since we are such a small community it is hard for us to compete for honors like this because of larger schools and communities. When we receive honors such as these, we hold them very special.

Faculty Honors
Senior Personalities

Throughout the school year of '72 '73 the observant faculty of SHS have noticed certain qualities in the graduating seniors. In turn, we have organized a senior personality page to honor these outstanding seniors.

As the years go by, we will look back over these pages and for some strange reason cannot remember just exactly who was who - But look through these three pages and remember the biggest flirts, the class clowns, the quietest boy and girl, the most athletic, best dressed, best personality, most likely to succeed, most popular, most talented, best looking, and wonder what they're doing now!

Bobby Peters and Vivian Fipps were chosen as Most Athletic.

Vicki Thompson and Roger DeMuth were the Biggest Flirts.

The Most Likely to Succeed were Sam Horrocks and Debi Parker.

Randy McKerley and Alane Hardie were chosen as Most Talented.

Seniors Chosen as Favorite Personalities

The Class Clowns were Bobby Peters and Sue Seago.

Gwen DeShong and Alan Mizell had the Best Personalities.

Paula Lyles and Randy McKerley were selected as Best Dressed.

Most Popular among the seniors were Cindy Arnold and Roger DeMuth.

Seniors Present Their Outstanding Personalities of 1973

The Most Quiet Seniors were Freddie Evans and Gayla Woodson.

Best Looking among the Seniors were Teresa Statham and Roger DeMuth.

Many people have asked us if the yearbook is going to be different and better this year. We leave the answer up to you. I wish every individual had an opportunity to experience working on the yearbook. It is so much fun to put the pages together. With every page you finish you know that slowly but truly you are putting together a book. A book with lots of memories, time, and hard work in it. It is also a book that students of Sperry Schools can remember their classmates by as they climb through the years to reach the top.

The making of this yearbook has become so much a part of our lives these past months that it is hard to bring it to a close. As another year goes by we know that another phase of our life has passed.

We couldn't put this book together if it wasn't for a few precious people. We sincerely thank Mrs. Marjorie Clark for her long hours she has spent working with us, for her guidance and encouragement, and for being so patient with us. We would also like to thank the Taylor Publishing Company, especially those that came out to show us what to do. We would also like to thank Enterprise Studio and Marquise Studio for the many pictures they made for us. Last but not least, we would like to thank the advertisers. They have made it possible for us to publish our yearbook without increasing the price to you.

It has been another rewarding year. Don't look back except for an occasional glance at a memory that warms your heart and brings a soft smile to your lips ... look forward ... there's a lifetime to go.

To a sweet girl that I really like. Your my choise of girls with the reddest hair. I like to be around girls like you, your a lot of fun. You always have something to say to make things more enjoyable. Even in your class I like to listen to you and him argue about what's what. Well, I hope you can't spell good in your next year as a junior and I see your classes. Good luck in everything you do.
